MANAGEMENT DISCUSSION AND ANALYSIS REPORT

- **Overview:**

Helpage Finlease Limited is a non-deposit taking and non-systematically important Non-Banking Financial Company (NBFC) registered with the Reserve Bank of India (RBI) under Section 45-IA of Reserve Bank of India Act, 1934, listed on Bombay Stock Exchange (BSE).

The Company is engaged into the lending business mainly focused for catering the financial needs of small and medium enterprise (SME's) which eventually have a high role to play to boost the growth of developing country like India. The Company has also obtained registration with four CIC's (Credit Information Companies) and maintaining the data as required.

The Management Discussion and Analysis Report (MDAR) provide an insight into the performance of the Company in the previous years, in the current year and its future plans besides the risks, uncertainties associated with the Company's business along with the management perception and vision to win over the anomalies of future business situations. The Management Discussion and Analysis Report (MDAR) contains management's interpretation of financial performance of the Company more over actual results are reflected in the financial statements which should be studied in consonance with the Management Perspective.

- **Macro-Economic performance of Industry and Outlook:**

NBFCs forms an integral segment of the Indian Financial Sector of the Country; complementing the Banks in catering the credit needs of the different sectors of the economy. They have emerged as the driving force behind India's rapid economic growth. NBFCs are stronger and more resilient today, and better positioned in almost all operationally critical parameters.

During FY 2024–25, the Indian economy remained resilient, recording GDP growth of around 6.5% despite global headwinds. The prolonged Russia–Ukraine conflict continued to disrupt global commodity markets, keeping crude oil and essential metal prices volatile and exerting intermittent inflationary pressures worldwide. While advanced economies experienced a moderation in growth due to tighter monetary policies, emerging markets like India benefited from robust domestic demand, healthy investment activity, and sustained government capital expenditure, particularly in infrastructure.

According to the International Monetary Fund (IMF), global GDP growth stood at approximately

3.1% in 2024, with India remaining one of the fastest-growing major economies, significantly outpacing the global average. Headline CPI inflation in India moderated to an average of about 5%, remaining within the RBI's tolerance band due to easing commodity prices, improved supply chain conditions, and effective policy measures. The RBI maintained the policy repo rate at 6.50% through the year to anchor inflation expectations, resulting in a stable but relatively high-interest rate environment.

The NBFC sector continued to perform strongly, recording nearly 20% year-on-year credit growth, substantially higher than the 12% growth of scheduled commercial banks. Retail lending, gold loans, MSME financing, and vehicle finance remained the primary growth drivers. Asset quality was stable, with gross NPAs averaging 5–6%, supported by prudent underwriting standards and robust collection efficiencies. On the regulatory front, the RBI advanced the implementation of the Scale-Based Regulation (SBR) framework, issued revised Fraud Risk Management directions effective July 2024 to enhance governance and internal controls, and expanded the Account Aggregator framework to strengthen data protection and consent-based financial information sharing.

Looking ahead to FY 2025–26, the IMF projects India's GDP growth to be in the range of 6.5–6.7%, driven by resilient consumption, continued public capital expenditure, and a rebound in rural demand. However, uncertainties persist due to ongoing geopolitical tensions, including the Russia–Ukraine conflict and related global supply chain risks, which could impact commodity prices and inflation dynamics. Credit demand in retail and MSME segments is expected to remain robust, particularly in Tier-2 and Tier-3 markets, supported by formalization of the economy and rising disposable incomes. Digital transformation, AI-driven underwriting, and partnerships with fintech's are anticipated to further enhance operational efficiency and customer reach. While stable domestic interest rates and improved funding access are likely to support growth, potential challenges include volatility in global financial markets, shifts in foreign capital flows, and climate-related disruptions. Regulatory oversight will remain stringent, with a continued emphasis on governance, capital adequacy, and risk management to ensure the long-term resilience of the NBFC sector.

Your Company is committed to address these changes strengthen by its potency in market position, strong execution capabilities, Committed Team and Excellent Management foresight.

Opinion

We have audited the accompanying Ind AS financial statements of **Helpage Finlease Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 43 of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on our checks and on the basis of information and explanation from the management we have determined that there are no key audit matters to be communicated in our report.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including comprehensive income, and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards {Ind AS} specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, Relevant to the preparation and presentation of the IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material mis statement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. There is a higher risk of not detecting a material misstatement resulting from fraud than from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosure in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant

deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detect on of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act. 2013.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these Ind AS financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these financial statements included obtaining an understanding of internal financial controls with reference to these financial

statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
